**Project Summary**

In October 2012, the Government of the Union of Myanmar has launched a Comprehensive Education Sector Review (CESR), organized by the Ministry of Education (MOE) and involving Ministry of Science and Technology (MOST), the Ministry of Labour and Social Security (MoLES), the Ministry of Industry (MoI) and other key stakeholders. The overarching objectives of the CESR are:

- Develop a knowledge-base on the strengths and challenges in the Myanmar education system and identify areas for reform;
- Support and contribute to the development of evidence-based policies, legislation and education sector improvements; and
- Develop costed education sector plans (based on the findings of the review).

**Purpose of the assignment**

Provision of advisory services, technical support and capacity development to the members of the technical team of the Technical Vocational Education and Training (TVET) component for the completion of the in-depths analyses according to the official ToR for the second phase of the CESR.

**Activities**

In close coordination with the CESR Task Manager, the CESR International Coordinator and GIZ, the consultant:

- Provides advice and technical support to the TVET technical team and the national consultant(s) needed for the in-depths analysis of the TVET sector;
- Provides capacity development to the member of the TVET technical team and the national consultant(s);
- Supports stakeholder dialogues with relevant departments and line agencies of the Government at national and, if applicable, key stakeholders in industry and development partners active in the TVET sector for broad agreement and ownership;
- Provides timely updates on progress and meet reporting requirements;
- Fulfills other tasks that may reasonably be requested by GIZ or the CESR office.

**Service provided**

- Report on a regular basis about the progress and interims results to the CESR Task Manager and the CESR International Coordinator
- Regular exchange with the Principal Advisor TVET of GIZ to create and make use of synergies between the TVET Program and the CESR
- Regular exchange with other DPOs working on TVET related aspects under the CESR about the progress and preliminary findings.
- Interims report and final report (structure, content and date to be discussed with the CESR Task Manager in coordination).
