

INTEGRATION is an equal opportunity employer. We seek talented professionals for challenging international assignments.

Our projects require individuals with knowledge and expertise in a variety of industries and consulting services.

Qualification levels - education, years of experience, overseas service, language capabilities - may vary. We hire consultants on a long- and short-term basis. If you wish to register with us, please contact our [HR-Manager](#) .

You agree that all personal data submitted in connection with your application for INTEGRATION's experts' data base or for employment may be processed and maintained by INTEGRATION Consulting Group in order to consider you for new positions in the future. You always have the right to review the personal data we received from you and stored with us. You can request an overview of your personal data by emailing us at hr-manager@integration.org.

Please use the standard European CV format or GIZ CV format, which can be obtained below. Please make sure to include your citizenship(s) and date of birth in any case.
